

CURRICULUM VITAE: JIM WILLIAMS

I caught my first fish at eight years old, a life changing experience that has led to many pleasant fishing adventures. I have evolved into a competent fly tyier and thinking flyman I am comfortable in rivers and lakes and have fished in many countries which are, England, Scotland, Wales, Czech Republic, USA and New Zealand.

I have represented Australia on two occasions 1996 World Championships and 1999 Commonwealth Championships of which we were the winning team. I am competent with Czech nymphing, down and across, dryfly and upstream nymphing in rivers and all lake techniques.

I have won many state team medals been club champion and was masters champion at the inaugural masters games and 2nd place individual at the national championships.

From 2000 I started a business that did not allow the time needed to be on top of my fishing realising this I became a committee member of FFA eventually becoming president, now my business is running smoothly I am now able to devote plenty of time to my fishing.

Latest results indicate I am back on track 2007 Tassie Championships 12th place 2006 Tassie Championships 3rd place 2005 NSW Championships 4th place.
